

# SKIN ESSENCE ORGANICS

Certified organic skin care.

*Derived from nature's extracts,  
essential oils & minerals.*

# Skin Essence *Organics*

## Real Ingredients, Real Results!

At Skin Essence Organics, we wholeheartedly believe in natural healing and the benefits found in nature's extracts. This has enabled us to formulate premium organic products that offer the purest and most beneficial results possible.

### Certified Organic

At Skin Essence Organics we know that certified organic ingredients are the safest and most beneficial for the skin, which is why our formulations are certified organic by USDA and ECOCERT.

### Real Results

We credit the effectiveness of our unique product line to the certified organic and nutritionally-rich ingredients that contain an excellent source of vitamins, minerals and enzymes. Our entire line is derived solely from a wide variety of plant, fruit, and flower extracts, essential oils and minerals.

### Fair Trade

At Skin Essence Organics we strongly believe in supporting fair trade. Our ingredients are obtained solely from industry-leading suppliers that adhere to strict quality protocols, and ensure the fair treatment of indigenous and global peoples.

### Cold Pressed Extracts

To ensure that our key ingredients are delivered in the most beneficial, natural and nutritionally rich state, we carefully extract these ingredients by using a cold pressed method. Heat processes can compromise the integrity of the ingredients, resulting in the loss of vital nutrients.

### Eco Friendly

Our products are packaged using recyclable, non-toxic amber glass, and are shipped using recycled and biodegradable materials to ensure a completely renewable cycle. Additionally, we exclusively use organic and wild harvested ingredients which are beneficial for the environment by not allowing the use of pesticides, herbicides, and other chemicals and methods which can be harmful to the environment as well as our valued customers.

### No Fillers

Our products are packed full of precious plant and fruit extracts that are of the highest quality and feed your skin the nutrients it needs to look its best and feel great. No additives, chemicals or water - just the good stuff!

### World Class Ingredients

Our unique line is made with some of the finest and most beneficial ingredients from around the world. Each one of our premium ingredients has been selected to effectively rejuvenate cells, improve elasticity, and simply heal and nourish the skin.

### Giving Back

Through the purchase of Skin Essence Organics you help to support a wide variety of charities both locally and internationally. For more information please visit our website [skinessence.ca](http://skinessence.ca).

# Skin Essence Products

## What Makes Skin Essence Organics Unique?

We believe formulating a premium organic skin care line starts with sourcing the highest quality ingredients from around the world.

By filling our bottles entirely with nature's extracts, our products are designed to nourish, heal, and hydrate the skin providing exceptional results while also completely avoiding the use of fillers, preservatives, and synthetic chemicals.

Each product is carefully made in small batches and contained in amber glass to ensure optimum purity and freshness.

# Pure

## Gentle Facial Cleanser

For sensitive skin  
120mL

- Gently cleanses the skin
- Removes makeup
- Helps to maintain the skin's PH balance
- Calms and soothes the skin
- Ideal for those with sensitive skin and/or rosacea

### Product Description:

Pure is a gentle cleanser that has been specifically designed to effectively clean the skin without leaving it feeling dried or damaged. The various extracts and minerals found in this decadent blend help to remove not only dirt and oils that can irritate the skin and lead to breakouts, but also works great to remove makeup.

### Application:

- Always make sure the cleanser is shaken before using so that all of the key ingredients are present in each application.
- Apply approximately a quarter-sized amount of cleanser to the palm of your hand and rub hands together to create a slight lather.
- Massage onto skin and then rinse.
- Post cleanse, apply the Skin Essence Organics facial moisturizer of your choice.

**Removing Makeup:**  
Simply apply the cleanser to your face and then wipe it off using a warm damp face cloth.

By doing this you will ensure your skin is fully cleansed and no makeup is left behind.

## KEY INGREDIENTS

### #1 Blue Chamomile

Blue chamomile has natural anti-inflammatory, anti-septic and calmative properties. It is ideal for treating acne, healing broken capillaries and soothing burns, cuts, dermatitis, eczema and rashes. Blue chamomile is excellent for treating sensitive skin and various skin allergies.

### #2 Comfrey Root

Comfrey root encourages healthy and fast regrowth of damaged skin cells. When applied to the skin, it offers anti-inflammatory and soothing properties that help to improve skin tone. Comfrey root is a rich source of vitamins A, B & C.

### #3 Vegetable Glycerin

Derived from palm or coconut oil, vegetable glycerin has strong moisture-retention properties that are vital for the skin to remain fresh, youthful and healthy. Vegetable glycerin's naturally gentle anti-inflammatory properties soothe the skin and will not irritate like most other harsh ingredients found in conventional, non-organic cleansers.

### #4 Coconut Oil

Coconut oil is an excellent hydrator for all skin types. It is light, absorbs easily, and effectively heals clogged pores due to its high levels of antiseptic fatty acids. Coconut oil has the unique ability to seal in moisture and prevent damage from free radicals, making it an ideal ingredient for dry or aging skin. Coconut oil also contains natural sun protection properties.

Vegetable Glycerin\*\*, (Saponified Coconut\*\* and Sunflower Oil\*\*, Aqua), Comfrey Root Powder\*, Jojoba Seed Oil\*\*, Blue Chamomile Oil\*\*, Potassium Citrate, Citric Acid

\*Certified Organic  
\*\*Made with certified organic ingredients

Aqua/Water is essential in the process of saponifying oils (soapmaking) and is not added to any of our products, as we believe a truly beneficial product is concentrated and free of fillers.

For optimum freshness use within 6 months of opening

# Fresh

## Facial Cleanser

For all skin types

120mL

Cleanses the skin

Contains natural anti-aging and anti-bacterial properties

Decreases the occurrence of breakouts

Removes makeup

Maintains skin's natural PH

### Product Description:

Fresh is a concentrated facial cleanser that has been specifically formulated to clean the skin without leaving it dried or damaged. The variety of organic ingredients used in this decadent blend, offer optimal healing, toning and cleansing benefits. Fresh effectively removes dirt, oils and makeup that can irritate the skin and lead to breakouts and has great nourishing properties.

### Application:

- Apply approximately a quarter-sized amount of cleanser to the palm of your hand and rub hands together to create a slight lather.
- Massage into skin and rinse.
- Post cleanse, apply the Skin Essence Organics facial moisturizer of your choice.

#### Removing Makeup:

Simply apply the cleanser to your face and then wipe it off using a warm damp face cloth.

By doing this you will ensure your skin is fully cleansed and no makeup is left behind.

## KEY INGREDIENTS

### #1 Lemongrass

Lemongrass not only offers a pleasantly refreshing scent, but it is also known for its antifungal, analgesic and antiseptic properties. It contains a rich natural source of vitamin A, which is known for its ability to treat fine lines and wrinkles.

### #2 Peppermint

Peppermint essential oil contains excellent anti-inflammatory and anti-bacterial properties. Its wonderful cooling properties are great for reducing skin conditions such as itching and irritation. Peppermint's key properties are also known to improve blood circulation, which helps to stimulate the healing of skin tissue.

### #3 Vegetable Glycerin

Derived from palm or coconut oil, vegetable glycerin has strong moisture-retention properties that are vital for the skin to remain fresh, youthful and healthy. Vegetable glycerin's naturally gentle anti-inflammatory properties soothe the skin and will not irritate like most other harsh ingredients found in conventional, non-organic cleansers.

### #4 Coconut Oil

Coconut oil is an excellent hydrator for all skin types. It is light, absorbs easily, and effectively heals clogged pores due to its high levels of antiseptic fatty acids. Coconut oil has the unique ability to seal in moisture and prevent damage from free radicals, making it an ideal ingredient for dry or aging skin. Coconut oil also contains natural sun protection properties.

Vegetable Glycerin\*\*, (Saponified Coconut\*\* and Sunflower Oil\*\*, Aqua), Arrowroot Powder \*, Witch Hazel Extract \*, Coconut Oil\*, Lemongrass Oil\*, Coriander Seed Oil\*, Peppermint Oil\*, Xanthan Gum, Potassium Citrate, Citric Acid

\*Certified Organic

\*\*Made with certified organic ingredients

Aqua/Water is essential in the process of saponifying oils (soapmaking) and is not added to any of our products, as we believe a truly beneficial product is concentrated and free of fillers

# Neroli

## Facial Moisturizer

For dry and/or aging skin  
30mL

Helps to improve signs of aging

Reduces the appearance  
of age spots and fine lines

Brightens the skin's complexion

Improves the skin's natural  
elasticity

### Product Description:

This hydrating serum was designed specifically for those with dry skin that may also be damaged or aging. The wide variety of organic extracts used in this formulation contain natural revitalizing properties that can help to heal and brighten the skin, stimulating collagen production, and improving the skin's elasticity. The key ingredients used in this serum and its purpose are similar to those found in the Nourish serum, but the Neroli has been formulated to provide heavier moisturizing capabilities for those who need a bit more nourishing.

### Application:

- Always make sure the serum is shaken well before applying so that all the key ingredients are present in each application.
- After cleansing with the Skin Essence Organics Pure or Fresh facial cleanser, massage the Neroli facial moisturizer into the skin for approximately **10** to **20** seconds. This will ensure deep absorption of the ingredients.
- Wait approximately **5** minutes before applying makeup.

*Apply to damp skin. Water on the face will allow the serum to spread easily and evenly. It also has a natural capillary action, which will help to "pull" the vitamins and minerals into your skin, leaving a healthy glow.*

## KEY INGREDIENTS

### #1 Neroli

Neroli has a wide variety of benefits for the skin including regulating oiliness, minimizing large pores, clearing acne, regenerating skin cells, and stimulating collagen production, improving the skin's elasticity. Neroli contains high levels of vitamin C, beta-carotene, and pectin.

### #2 Rosehip Seed Oil

Rosehip seed is phenomenal for naturally toning the skin, preventing scarring, healing burns, reducing fine lines, rejuvenating skin cells, and healing broken capillaries.

### #3 Orange Oil

Orange essential oil helps to nourish the cells and capillaries of aging skin types, and offers a wonderfully uplifting scent. It also has anti-inflammatory and anti-septic properties. Orange essential oil contains high levels of vitamin C, which helps to improve elasticity by stimulating collagen production in the dermis.

### #4 Kukui Seed Oil

Kukui seed oil is quickly absorbed and offers great relief for dry or damaged skin, leaving it feeling smooth and hydrated. Kukui offers excellent healing and rejuvenating properties to the skin.

### #5 Vitamin-E

This natural preservative is an excellent ingredient for repairing skin tissue, reducing scarring, strengthening the skin's capillaries, and has natural anti-inflammatory properties. Vitamin E also helps to reduce the appearance of age spots and scars, improving the skin's complexion.

### #6 Zinc Oxide

This natural mineral is very healing and softening for the skin and is known for its soothing ability. It also has properties that help to shield against UVA and UVB rays.

*Jobba Seed Oil\*, Rosehip Seed Oil\*, Macadamia Nut Oil\*, Apricot Kernel Oil\*, Orange Oil\*, Kukui Nut Oil, Neroli Flower Oil\*, Jasmine oil\*, Evening Primrose Oil\*, Tocopherol (Vitamin-E)\*, Zinc Oxide (Nano)*

*\*Certified Organic*

*For optimum  
freshness use within  
6 months of opening*

# Nourish

## Facial Moisturizer

For combination and/or aging skin  
30mL

- Helps to improve signs of aging
- Reduces the appearance of age spots and fine lines
- Brightens the skin's complexion
- Improves the skin's natural elasticity

### Product Description:

The nourishing extracts and minerals that have been carefully selected for this serum are very beneficial for combination skin types that may also be damaged or aging. The abundant amount of rosehip and neroli used in this serum are phenomenal for stimulating and rejuvenating skin cells, while also nourishing the skin's vital capillaries.

### Application:

- Always make sure the serum is shaken well before applying so that all the key ingredients are present in each application.
- After cleansing with the Skin Essence Organics Pure or Fresh facial cleanser, massage the Nourish facial moisturizer into the skin for approximately **10 to 20** seconds. This will ensure deep absorption of the ingredients.
- Wait approximately **5** minutes before applying makeup.

*Apply to damp skin. Water on the face will allow the serum to spread easily and evenly. It also has a natural capillary action, which will help to "pull" the vitamins and minerals into your skin, leaving a healthy glow.*

## KEY INGREDIENTS

### #1 Vitamin-E

This natural preservative is an excellent ingredient for repairing skin tissue, reducing scarring, strengthening the skin's capillaries, and has natural anti-inflammatory properties. Vitamin E also helps to reduce the appearance of age spots and scars, improving the skin's complexion.

### #2 Orange Oil

Orange essential oil helps to nourish the cells and capillaries of aging skin types, and offers a wonderfully uplifting scent. It also has anti-inflammatory and anti-septic properties. Orange essential oil contains high levels of vitamin C, which helps to improve elasticity by stimulating collagen production in the dermis.

### #3 Rosehip Seed Oil

Rosehip seed is phenomenal for naturally toning the skin, preventing scarring, healing burns, reducing fine lines, rejuvenating skin cells, and healing broken capillaries.

### #4 Neroli

Neroli has a wide variety of benefits for the skin including regulating oiliness, minimizing large pores, clearing acne, regenerating skin cells, and stimulating collagen production, improving the skin's elasticity. Neroli contains high levels of vitamin C, beta-carotene, and pectin.

### #5 Evening Primrose

Evening primrose oil is rich in essential fatty acids, making it an excellent option for rejuvenating and moisturizing the skin. Being an unrefined organic oil, evening primrose is a wonderful natural ingredient for healing the skin.

### #6 Zinc Oxide

This natural mineral is very healing and softening for the skin and is known for its soothing ability. It also has properties that help to shield against UVA and UVB rays.

*Joboba Seed Oil\*, Rosehip Seed Oil\*, Macadamia Nut Oil\*, Apricot Kernel Oil\*, Orange Oil\*, Kukui Nut Oil, Neroli Flower Oil\*, Tocopherol (Vitamin-E), Jasmine oil\*, Evening Primrose Oil\*, Zinc Oxide (Non-Nano)*

*\*Certified Organic*

# Soothe

## Facial Moisturizer

For sensitive skin  
30mL

Ideal for those with sensitive skin  
and/or rosacea

Calming & healing properties

Anti-inflammatory

Provides rich hydration

Brightens the skin's complexion

Reduces the appearance of age  
spots and fine lines

### Product Description:

This serum is a nutrient-enriched, moisturizing blend of organic extracts, minerals and essential oils. Soothe is an excellent hydrating serum for all skin types, especially sensitive skin. The abundant rosehip included in this blend promotes skin cell renewal, a process that slows as we age, keeping the skin youthful and vibrant. Other key ingredients, such as galbanum and sage, have brilliant healing and soothing properties.

### Application:

- Always make sure the serum is shaken well before applying so that all the key ingredients are present in each application.
- After cleansing with the Skin Essence Organics Pure or Fresh facial cleanser, massage the Soothe facial moisturizer into the skin for approximately **10 to 20** seconds. This will ensure deep absorption of the ingredients.
- Wait approximately **3-5** minutes before applying makeup.

*Apply to damp skin. Water on the face will allow the serum to spread easily and evenly. It also has a natural capillary action, which will help to "pull" the vitamins and minerals into your skin, leaving a healthy glow.*

## KEY INGREDIENTS

### #1 Macadamia Nut Oil

Macadamia nut oil is a decadent light oil, which is easily absorbed. Its similarity to the natural oils of the skin makes macadamia nut oil a great hydrator for sensitive skin types. Macadamia nut oil is full of many rich nutrients that help to effectively keep the skin healthy and supple.

### #2 Borage Seed Oil

The nutrients found in borage seed oil help to stimulate healing in the skin, promoting a youthful and vibrant complexion. Its naturally unique composition makes borage seed ideal for healing and soothing the skin. Borage seed oil is very nutritional and easily absorbed.

### #3 Vitamin-E

This natural preservative is an excellent ingredient for repairing skin tissue, reducing scarring, strengthening the skin's capillaries, and has natural anti-inflammatory properties. Vitamin E also helps to reduce the appearance of age spots and scars, improving the skin's complexion.

### #4 Galbanum Extract

Galbanum has natural anti-inflammatory properties that have been shown to effectively heal and soothe sensitive skin.

### #5 Rosehip Seed Oil

Rosehip seed is phenomenal for naturally toning the skin, preventing scarring, healing burns, reducing fine lines, rejuvenating skin cells, and healing broken capillaries.

### #6 Sage Oil

The therapeutic properties of sage essential oil are both anti-septic and anti-inflammatory. When applied topically, sage oil effectively calms and soothes the skin. It can also be used to minimize pores, heal wounds, and assist with various skin conditions. In aromatherapy, sage has excellent calming effects.

Joboba Seed Oil\*, Macadamia Nut Oil\*, Rosehip Seed Oil\*, Borage Seed Oil\*, Calendula Flower Extract\*, Tocopherol (Vitamin-E), Sage Oil\*, Galbanum Oil\*

\*Certified Organic

*For optimum  
freshness use within

ORGANIC  
COSMETIC

# Light

## Facial Moisturizer

For oily and/or breakout prone skin  
30mL

Natural anti-septic & anti-inflammatory properties

Soothes & prevents breakouts

Provides light, fast absorbing hydration

Brightens the skin's complexion

Naturally tones the skin

### Product Description:

The unique extracts, essential oils and minerals chosen for this serum have not only a high nutritional value, but are also very light and fast absorbing. Many of the key ingredients contain natural anti-bacterial properties, which help to keep pores clean and clear preventing breakouts. This highly nutritional serum was specifically created for those with oily and/or breakout prone skin types.

### Application:

- Always make sure the serum is shaken well before applying so that all the key ingredients are present in each application.
- After cleansing with the Skin Essence Organics Pure or Fresh facial cleanser, massage the Light facial moisturizer into the skin for approximately **10 to 20** seconds. This will ensure deep absorption of the ingredients.
- Wait approximately **5** minutes before applying makeup.

*Apply to damp skin. Water on the face will allow the serum to spread easily and evenly. It also has a natural capillary action, which will help to "pull" the vitamins and minerals into your skin, leaving a healthy glow.*

## KEY INGREDIENTS

### #1 Lavender

Lavender has brilliant anti-septic and anti-inflammatory properties. Lavender extract is known to heal acne, treat skin burns and soothe inflammatory conditions of the skin.

### #2 Orange Oil

Orange essential oil helps to nourish the cells and capillaries of aging skin types, and offers a wonderfully uplifting scent. It also has anti-inflammatory and anti-septic properties. Orange essential oil contains high levels of vitamin C, which helps to improve elasticity by stimulating collagen production in the dermis.

### #3 Geranium:

Geranium has astringent and anti-septic properties that benefit skin conditions such as acne and eczema. Geranium is also ideal for balancing oily skin.

### #4 Vitamin-E

This natural preservative is an excellent ingredient for repairing skin tissue, reducing scarring, strengthening the skin's capillaries, and has natural anti-inflammatory properties. Vitamin E also helps to reduce the appearance of age spots and scars, improving the skin's complexion.

### #5 Lemongrass

Lemongrass not only offers a pleasantly refreshing scent, but it is also known for its antifungal, analgesic and antiseptic properties. It contains a rich natural source of vitamin A, which is known for its ability to treat fine lines and wrinkles.

### #6 Jojoba Seed Oil

Jojoba is a popular carrier oil that closely resembles the natural oils of the skin. It is a light oil that absorbs quickly and is rich in naturally occurring vitamin E. Jojoba promotes a healthy glowing complexion and is used in many of our products.

*Jojoba Seed Oil\*, Kukui Nut Oil, Orange Oil\*, Eucalyptus Oil\*, Lavender Flower Oil\*, Lime Oil\*, Geranium Oil\*, Galbanum Oil\*, Lemongrass Oil\*, Tocopherol (Vitamin-E)\*, Tea Tree Oil\**

*\*Certified Organic*

*For optimum freshness use within 6 months of opening*

# Facial in a Jar

## Exfoliant/Mineral mask

Healing, nourishing, and softening for all skin types

50mL, 100mL

Softens and balances the skin's complexion

Brightens the skin's natural tone

Prevents blackheads and clogged pores

Improves the skin's ability to absorb moisture

## Product Description:

This unique product helps achieve smooth, vibrant skin by removing dead skin cells that clog pores and form blackheads. Exfoliating regularly improves skin's elasticity and its ability to absorb moisture and retain the rich nutrients found in each one of our serums. The various active ingredients in this formulation are ideal for healing, nourishing and softening the skin.

## Application:

- After cleansing with Skin Essence Organics facial cleanser (Pure or Fresh), mix approximately **1** teaspoon of powder with **1 1/2** teaspoon of water in a dish or the palm of your hand.
- Take a few minutes to gently massage onto skin in small circular motions.
- Leave for **5-10** minutes (optional) and rinse.
- Apply the Skin Essence Organics facial moisturizer of your choice.

## KEY INGREDIENTS

### #1 Oats

The organic oats used in this unique herbal formulation, help to soften the skin's texture. Oats also offer excellent soothing properties.

### #2 Marshmallow Root

Marshmallow root naturally contains high levels of many vitamins and minerals including vitamins A and C. It also has wonderful softening and calming effects for the skin that are ideal for soothing inflammation, blemishes, and healing the skin.

### #3 Jasmine Flower

Jasmine flower has a smooth, extremely intense floral smell that is both sweet and lingering. It is well known for its calming and soothing properties.

### #4 White Kaolin Clay

White kaolin clay is a gentle mineral that is known to be the mildest of all clays, making it perfect for sensitive skin types. Its key properties delicately draw impurities from the skin, without removing natural oils.

### #5 Stevia Leaf

Stevia leaf is great for healing a number of skin problems such as blemishes, acne outbreaks, and rashes. Its unique properties make stevia leaf excellent for softening and tightening the skin, as well as smoothing fine lines and wrinkles. Studies have shown that skin heals faster when stevia concentrate is applied.

### #6 Green Tea Extract

Green tea extract contains a rich source of anti-oxidants, such as vitamin C and vitamin E. It is hailed for its ability to help repair the skin and reduce signs of aging.

Oat Powder\*, Marshmallow Root Powder\*, Jasmine Flowers\*, White Kaolin  
Stevia Leaf Powder\*, Corn Meal\*, Green Tea Extract

\*Certified Organic

freshness use within  
6 months of opening

# Nurture

## Softening & Soothing Mineral Mask

For all skin types  
100mL

Formulated to soothe the skin & reduce redness

Softens the skin's texture

Dry herbal powder

Anti-inflammatory properties

### Product Description:

Nurture is a skin softening mineral mask derived from a variety of organic minerals, clays and dried flowers. By uniting these various key ingredients, Nurture soothes and softens the skin.

### Application:

- After cleansing with Skin Essence Organics facial cleanser (Pure or Fresh), mix together **1** tablespoon of powder and **1** tablespoon of water in a dish or the palm of your hand.
- Gently apply onto the face evenly.
- Relax for **10** minutes and then rinse.

*Optional: Add 4 to 6 drops of the Skin Essence facial moisturizer of your choice to the mixture before applying*

## KEY INGREDIENTS

### #1 White Kaolin Clay

White kaolin clay is a gentle mineral that is known to be the mildest of all clays, making it perfect for sensitive skin types. Its key properties delicately draw impurities from the skin, without removing natural oils.

### #2 Chamomile Flower

Chamomile flower has natural anti-inflammatory and calming properties. Its unique composition is very beneficial for soothing the skin, relieving burns and calming irritations.

### #3 Stevia Leaf

Stevia leaf is great for healing a number of skin problems such as blemishes, acne outbreaks, and rashes. Its unique properties make stevia leaf excellent for softening and tightening the skin, as well as smoothing fine lines and wrinkles. Studies have shown that skin heals faster when stevia concentrate is applied.

### #4 Oats

The organic oats used in this unique herbal formulation, help to soften the skin's texture. Oats also offer excellent soothing properties.

*Oat Powder\*, White Kaolin Clay, Chamomile Flowers\*, Stevia Leaf Powder*

# Ocular

## Eye Serum

For all skin types  
10mL

- Improves dark circles
- Reduces puffiness
- Reduces fine lines
- Contains the mineral zinc oxide
- Bonus:** Can be used to help remove eye makeup

### Product Description:

This unique serum contains a variety of nourishing extracts that help improve dark circles, reduce puffiness and smooth fine lines. Ocular was created specifically for the delicate skin around the eye, and serves as a vital protective layer against pollution and the chemicals found in makeup. The vast array of organic extracts and minerals used in this formulation are highly nutritional, offering a complete anti-aging blend.

### Application:

- Always make sure the serum is shaken well before applying so that all the key ingredients are present in each application.
- After cleansing with the Skin Essence Organics Pure or Fresh facial cleanser, massage the Ocular eye serum into the skin for approximately **10 to 20** seconds. This will ensure deep absorption of the ingredients.
- Wait approximately **5** minutes before applying makeup.

*As an eye makeup remover, apply this serum around the eye and wipe off using a cotton swab or Q-Tip.*

## KEY INGREDIENTS

### #1 Nettle Leaf

Nettle leaf naturally contains iron, making it effective when treating dark circles of the eye and soothing other skin conditions. Nettle leaf also contains anti-inflammatory properties, which effectively help to soothe itchy, irritated skin.

### #2 Hemp Seed Oil

Hemp seed oil is one of the world's richest sources of polyunsaturated fats. Its unique properties make it an unequalled natural moisturizer.

### #3 Zinc Oxide

This natural mineral is very healing and softening for the skin and is known for its soothing ability. It also has properties that help to shield against UVA and UVB rays.

### #4 Blue Chamomile

Blue chamomile has natural anti-inflammatory, anti-septic and calming properties. It is ideal for treating acne, healing broken capillaries and soothing burns, cuts, dermatitis, eczema and rashes. Blue chamomile is excellent for treating sensitive skin and various skin allergies.

### #5 Rosehip Seed Oil

Rosehip seed is phenomenal for naturally toning the skin, preventing scarring, healing burns, reducing fine lines, rejuvenating skin cells, and healing broken capillaries.

### #2 Borage Seed Oil

The nutrients found in borage seed oil help to stimulate healing in the skin, promoting a youthful and vibrant complexion. Its naturally unique composition makes borage seed ideal for healing and soothing the skin. Borage seed is very nutritional and easily absorbed.

*Rosehip Seed Oil\*, Jojoba Seed Oil\*, Hemp Seed Oil\*, Borage Seed Oil\*, Apricot Kernel Oil\*, Nettle Leaf Extract\*, Olive Oil\*, Kukui Nut Oil, Blue Chamomile Oil\*, Tocopherol (Vitamin-E), Zinc Oxide (Non-Nano)*

*\*Certified Organic*

*For optimum freshness use within 6 months of opening*

# Rosehip Oil

Certified Organic,  
Unrefined & Cold Pressed

For all skin types  
30mL

## Ideal for treating:

- Age spots
- Fine lines
- UV damaged skin
- Hyper pigmentation
- Scars and burns

Rosehip naturally brightens the skin's complexion

## KEY INGREDIENT

### #1 100% Pure Rosehip Seed Oil

One of nature's richest sources of Omega 3, vitamins and antioxidants, Rosehip Seed Oil delays the effects of aging, assists with skin cell regeneration, and stimulates collagen production in the skin.

*For optimum  
freshness use within  
3 months of opening*

## Product Description:

Rosehip seed oil naturally brightens the skin and offers luxurious hydration. It is a phenomenal option for toning the skin, reducing the appearance of sun damage and fine lines, preventing scarring, rejuvenating skin cells, and healing broken capillaries. This results in firmer, smoother, and more youthful skin with improved elasticity.

## Application:

- Rosehip is a wonderful hydrator, and penetrates deep into dry or damaged skin. To ensure deep absorption, massage into the skin thoroughly.  
(Each serum takes about 5 minutes to fully absorb.)

*Apply to damp skin.  
Water on the face will  
allow the serum to  
spread easily and  
evenly.*

*It also has a natural  
capillary action, which  
will help to "pull" the  
vitamins and minerals  
into your skin, leaving  
a healthy glow.*

# E-Cream

## Soothing Skin Balm

For itchy, irritated, and/or problem skin  
50mL

### E-Cream is ideal for:

- Eczema
- Rosacea
- Reducing redness
- Rich hydration
- Itchy skin
- Sun burns
- Diaper rash
- Insect bites and stings

### Product Description:

E-Cream is a delicately balanced skin treatment balm that is ideal for helping to treat eczema, rosacea, sun burns, insect bites, diaper rash, and itchy skin. This product was formulated with the highest concentration of plant extracts possible, and then perfectly balanced to create a truly effective skin treatment.

The zinc oxide used in this cream offers natural healing, soothing, and sun protection qualities.

### Application:

- Rub E-Cream onto affected area as often as needed.
- Relief from irritation will occur after the cream has fully absorbed (1 to 3 minutes).
- Best results with repeated applications.

The natural green colour of this formulation helps to counter the appearance of redness, which makes the skin look instantly improved

## KEY INGREDIENTS

### #1 Blue Chamomile

Blue chamomile has natural anti-inflammatory, anti-septic and calmatve properties. It is ideal for treating acne, healing broken capillaries and soothing burns, cuts, dermatitis, eczema and rashes. Blue chamomile is excellent for treating sensitive skin and various skin allergies.

### #2 Nettle Leaf

Nettle leaf naturally contains iron, making it effective when treating dark circles of the eye and soothing other skin conditions. Nettle leaf also contains anti-inflammatory properties, which effectively help to soothe itchy, irritated skin.

### #3 Calendula

Calendula naturally contains excellent healing and anti-inflammatory properties, making it ideal for calming and soothing the skin. It is also well known to stimulate the production of collagen, improving the skin's natural elasticity.

### #4 Chickweed

Chickweed is a well respected herb, which is best known for its ability to heal the skin and soothe redness. It contains a wide variety of vitamins and minerals and serves as an important component in this unique formulation.

### #5 Peppermint

Peppermint essential oil contains excellent anti-inflammatory and anti-bacterial properties. Its wonderful cooling properties are great for reducing skin conditions such as itching and irritation. Peppermint's key properties are also known to improve blood circulation, which helps to stimulate the healing of skin tissue.

Calendula Flower Extract\*, Beeswax, Chickweed Extract\*, Gotu Kola Extract\*, Nettle Leaf Extract\*, Olive Oil\*, Zinc Oxide (Non-Nano), Oat Extract\*, White Kaolin Clay, Rosehip Seed Oil\*, Jojoba Seed Oil\*, Peppermint Oil\*, Tocopherol (Vitamin-E), Blue Chamomile Oil\*, Galbanum Oil\*

# Chocolate Mandarin

Hand, Body & Lip Balm

For all skin types  
50mL

Hydrates and heals dry, cracked skin

Prevents stretch marks during pregnancy

Offers rich, long lasting hydration

Excellent lip balm

## Product Description:

This nutritionally-rich balm is ideal for healing and soothing dry, rough skin. This fresh organic formulation effectively softens and nourishes, while the vast amount of cocoa butter keeps the skin flexible, sealing in moisture.

Within a few seconds of application the skin appears noticeably younger and smoother. This is also an excellent cream for pregnant women wanting to prevent stretch marks during pregnancy.

## KEY INGREDIENTS

### #1 Coconut Oil

Coconut oil is an excellent hydrator for all skin types. It is light, absorbs easily, and effectively heals clogged pores due to its high levels of antiseptic fatty acids. Coconut oil has the unique ability to seal in moisture and prevent damage from free radicals, making it an ideal ingredient for dry or aging skin. Coconut oil also contains natural sun protection properties.

### #2 Vitamin E

This natural preservative is an excellent ingredient for repairing skin tissue, reducing scarring, strengthening the skin's capillaries, and has natural anti-inflammatory properties. Vitamin E also helps to reduce the appearance of age spots and scars, improving the skin's complexion.

### #3 Orange Oil

Orange essential oil helps to nourish the cells and capillaries of aging skin types, and offers a wonderfully uplifting scent. It also has anti-inflammatory and anti-septic properties.

### #4 Cocoa Butter

Cocoa butter offers a rich texture, and is well known for its excellent moisturizing and skin softening properties. It is easily absorbed by the skin, and provides a decadent natural aroma.

Jajoba Seed Oil\*, Cocoa Butter\*, Beeswax, Rosehip Seed Oil\*, Coconut Oil\*, Castor Oil\*, Orange Oil\*, Tocopherol (Vitamin-E)

## Jojoba Seed Oil

*Jojoba is a popular carrier oil that closely resembles the natural oils of the skin. It is a light oil that absorbs quickly and is rich in naturally occurring vitamin E. Jojoba promotes a healthy glowing complexion and is used in many of our products.*

### Sage Oil

The therapeutic properties of sage essential oil are both anti-septic and anti-inflammatory. When applied topically, sage oil effectively calms and soothes the skin. It can also be used to minimize pores, heal wounds, and assist with various skin conditions. In aromatherapy, sage has excellent calming effects.

### Potassium Citrate

Found naturally in most fruits and vegetables and often taken as a supplement, Potassium Citrate is used to balance PH.

### Coconut Oil

Coconut oil is an excellent hydrator for all skin types. It is light, absorbs easily, and effectively heals clogged pores due to its high levels of antiseptic fatty acids. Coconut oil has the unique ability to seal in moisture and prevent damage from free radicals, making it an ideal ingredient for dry or aging skin. Coconut oil also contains natural sun protection properties.

### Castor Oil

Castor oil is best known as an effective emulsifying agent. Due to its ability to sit on the skin's surface, castor oil acts as a natural protective barrier against harsh environmental conditions.

### Lemongrass Oil

Lemongrass not only offers a pleasantly refreshing scent, but it is also known for its antifungal, analgesic and antiseptic properties. It contains a rich natural source of vitamin A, which is known for its ability to treat fine lines and wrinkles.

### Geranium Oil

Geranium has astringent and anti-septic properties that help skin conditions such as acne, eczema and balancing oily skin.

### Peppermint Oil

Peppermint essential oil contains excellent anti-inflammatory and anti-bacterial properties. Its wonderful cooling properties are great for reducing skin conditions such as itching and irritation. Peppermint's key properties are also known to improve blood circulation, which helps to stimulate the healing of skin tissue.

### Vegetable Glycerin

Derived from palm or coconut oil, vegetable glycerin has strong moisture-retention properties that are vital for the skin to remain fresh, youthful and healthy. Vegetable glycerin's naturally gentle anti-inflammatory properties soothe the skin and will not irritate like most other harsh ingredients found in conventional, non-organic cleansers.

### Witch Hazel Extract

Produced from the leaves and bark of the Witch Hazel shrub, this distilled extract is a natural astringent making it a wonderful ingredient for use in organic cosmetic preparations.

### Citric Acid

Our citric acid is derived from vegetables through a natural fermentation process. It is an excellent anti-oxidant that can be used as part of a product's natural preservative system by adjusting the pH levels. Citric acid is also the most widely used organic acidulate.

### Jasmine Flower

Jasmine flower has a naturally smooth floral scent that is both sweet and lingering. It is well known for its calming and soothing properties.

### Xanthan Gum

Xanthan gum is commonly used as a natural stabilizer in organic products to prevent ingredients from separating.

## Rosehip

*Rosehip seed is phenomenal for naturally toning the skin, preventing scarring, healing burns, reducing fine lines, rejuvenating skin cells, and healing broken capillaries.*
